March 22, 2010

Virginia Cooperative Extension will be hosting the Core SHARP logger classes in Scott County. To become a SHARP logger you must complete all three of these classes. You can also attend these classes to get continuing education credits.

April 9 SHARP Logger Sustainable Forestry program from noon -6 PM

April 16 SHARP logger BMP and Pre-harvest planning from noon -6 PM

April 23 SHARP logger Safety program from noon -6 PM

Contact Bill Worrell at (276) 889-8056 or bworrell@vt.edu to register for the classes.
